

Dear Students, Instructors and Parents,

As you are aware, COVID-19 continues to affect Canadians across the country as we have entered the second wave. We at S.W.A.M. care deeply about the health and safety of our students, instructors and their families. As a result, S.W.A.M. lessons will be suspended until Fall 2021.

Given the close contact nature of our organization while providing lessons in the pool, it is not feasible to deliver safe lessons for both students and instructors. Unfortunately, this means lessons will continue to be suspended until such time that we can instruct in a safe and organized manner. While this is a disappointment, we value the safety of our students, instructors and families. When we do return to the pool, we want everyone to be as healthy and safe as possible.

For parents that have questions, please contact canada@swamcanada.ca.
For instructors and Chapter Executives that have questions, please contact chapters@swamcanada.ca.

Thank you for your understanding during this time. We will continue to monitor the situation and hope that we will be able to return to lessons come Fall 2021.

Sincerely,

A handwritten signature in black ink that reads 'Emma Crowley'.

Dr. Emma Crowley
President of S.W.A.M. Canada
